A Meeting of Minds in Radiation Oncology

Join us at the Miami Beach Welcome Center during this year's ASTRO Convention for fellowship, scholarship, and philanthropy as we gather for discussion about cancer care in India and how we all can help.

Please invite your colleagues who may be interested. Visit our organization's website www.iacaweb.org for more information about how the IACA is helping transform cancer care in India.

Be on the lookout for a copy of the agenda coming very soon!
